In the large unit, there are three (3) double bunk cells. Each cell has a washbasin, and a toilet in the immediate sleeping areas. CCJ has two (2) dayrooms, one (1) small dayroom in front of the three (3) double bunk cells. The small dayroom located in front of these cells has a private shower located on the right side. The small unit is located on the right side of the large dayroom, this unit has one (1) double bunk cell and one (1) single bunk cell both cells can be used as safety observation cells. The design of each shower unit allows offenders to have adequate privacy. These two (2) cells are used to house female offenders or offenders during the booking process. These cells can also be used for those individuals who are under the influence of alcohol or drugs, display violent behavior, self-harm, or inability to exercise self-control.
